

NAR 2015 Midyear Realtor Party Political Action Conference

Washington D.C.

May 12 – 17, 2015

Public Policy Coordinating Committee member

The NAR 360 was a little different as it highlighted the safety concerns with the murder of an Arkansas Realtor, Beverly Carter, last year as a focal point.

The Global Business Alliance committee heard reports of the various organizations involved in real estate activity around the world. It was reported that the number of attendees from foreign countries set a record for the Midyear meeting.

There was one action item brought to Public Policy Coordinating Committee by the Diversity Committee for the establishment of Community Outreach Award to be selected biennially. This was approved.

The meetings with Sen. Hoeven and Sen. Heitkamp and Cong. Cramer went well although the meetings were shortened due to committee meetings and roll call votes.

NAR put out a great summary report that was distributed by NDAR.

Thank you for the opportunity to be a part of the North Dakota delegation to the NAR conference.
