The NDAR Business Partner Program

One of NDAR's goals is to keep our members abreast of the latest products and services, and by doing so, increases their productivity and professionalism. Forming a partnership with you will facilitate this goal and provide you with exposure to the over 1,700 REALTORS® across the state of North Dakota.

For 72 years, the North Dakota Association of REALTORS® has united businessmen and women for a common purpose - to have a strong collective voice for the purpose of exerting effectively a combined influence upon matters affecting the ownership and enjoyment of real property. And as practitioners of related industries, you too have no doubt benefited from our efforts. As an NDAR business partner, those benefits can be expanded.

Benefits of Business Partner Membership

Business Partner members have access to services available to NDAR's member REALTORS®. Each business partner has access to a copy of the annual membership roster which lists members and firms in each of the 6 Local Boards as well as the Members at Large. Business Partners also receive NDAR's quarterly newsletter, the North Dakota REALTOR®, along with the electronic copy of the REALTOR® Report (sent more regularly) providing timely information news, highlights on NDAR activities, and marketing tips.

Business Partner members benefit from NDAR's Legislative Monitoring of activities in the State Legislature to advance and protect the real estate profession and real property rights. Affiliate members are eligible to purchase advertising space in NDAR Newsletter, brochure and website.

As you can see, the value of NDAR Business Partner Membership is tremendous, and well worth the annual membership fee, giving you access to great services that can strengthen your marketing efforts within your real estate markets.

After reviewing this brochure, simply contact one of the Local REALTOR® Boards listed below to complete your application for membership...And start receiving your NDAR Affiliate benefits today!
